Tanner, Pontifical Institute of Mediaeval Studies, 1984 *Christ Among the Medieval Dominicans* Kent Emery, Joseph Peter Wawrykow, 1998 Religious historians and historians of spirituality have developed and exploited the broad categories of Christocentric and Theocentric spirituality in order to differentiate the religious spirit of the Franciscans and the Dominicans In addition the philosophical interests of neo Scholastic thinkers have curtailed attention to the role of the figure of Christ in the thought of Albert the Great Thomas Aquinas and other Dominican thinkers To redress this imbalance editors Kent Emery Jr and Joseph P Wawrykow present this collection of essays to address the long neglected depictions of Christ in the writings and art of the medieval Dominicans Christ among the Medieval Dominicans adopts a genuinely multidisciplinary approach to its topic bringing together the research of experts in a wide variety of fields The essays in this volume written by an acclaimed group of international scholars and presented at the University of Notre Dame Conference in Medieval Studies provide many perspectives theology philosophy spirituality institutional and social history art history Latin and vernacular literature and manuscript studies on the life and thought of the Order of Preachers The essays focus on the role of Christ within the devotion and imagination of the Order and in effect expose the state of the question in studies of this important medieval institution As a whole the volume tests commonplace but often unexamined

The Scourge and the Cross David Fletcher Tinsley, 2010 Harsh asceticism including ritual self mortification remains one of the most troubling and least understood aspects of monastic life in the Later Middle Ages The nuns whose austere lives are celebrated in spiritual biographies and autobiographies in the Order of Preachers were long dismissed by traditional

scholars as hysterics or inferior mimics of true mysticism Some recent feminist studies either gloss over asceticism or portray its practitioners as traumatized victims of patriarchal oppression Traditionalists and progressives seem to agree extreme asceticism is best understood as pathetic or even pathological behavior David Tinsley seeks to temper this view by exploring late medieval asceticism on its own terms Building on the work of Caroline Walker Bynum Peter Dinzelbacher and Jeffrey Hamburger Tinsley analyzes the ascetic mentalities of Dominican convent culture in the 14th century including the sources the nuns read the famous ascetics they venerated and their most common rituals and practices The key question is how these nuns could see self imposed suffering as so crucial to shaping the questing soul s journey to God **Formation in Holiness** Fáinche Ryan,2007 Far from feeling a need to leave their brains at the door of the church as contemporary Christians may feel is asked of them the suggestion is that the development of our intellect is central to human growth into the image and likeness of God P 4 cover **Horizons** ,1984 ADRS Newsletter ,1979
