The Dictionary of the Bible and Ancient Media Tom Thatcher, Chris Keith, Raymond F. Person, Jr., Elsie R. Stern, 2017-10-19 The Dictionary of the Bible and Ancient Media is a convenient and authoritative reference tool introducing specific terms and concepts helpful to the study of the Bible and related literature in ancient communications culture Since the early 1980s biblical scholars have begun to explore the potentials of interdisciplinary theories of oral tradition oral performance personal and collective memory ancient literacy and scribality visual culture and ritual Over time these theories have been combined with considerations of critical and exegetical problems in the study of the Bible the history of Israel Christian origins and rabbinics The Dictionary of the Bible and Ancient Media responds to the rapid growth of the field by providing a source of reference that offers clear definitions and in depth discussions of relevant terms and concepts and the relationships between them The volume begins with an overview of ancient media studies and a brief history of research to orient the reader to the field and the broader research context of the book with individual entries on terms and topics commonly encountered in studies of the Bible in ancient media culture Each entry defines the term concept under consideration then offers more sustained discussion of the topic paying particular attention to its relevance for the study of the Bible and related literature

Judge Jesus Jeremiah L. Stallman, 2021-09-14 How do you understand the messianic judgeship of Jesus Interpreting certain themes in the Gospels is often done through a twenty first century Western perspective Judge Jesus will seek to help a modern reader of the Gospel of John see the concept of Jesus s messianic

judgeship through the eyes of a first century Jewish audience Judge Jesus will explore how the themes of judgment and messianic expectation throughout Early Judaism impacted how John's Jewish audience would have understood the words of his Gospel As a twenty first century interpreter of the Gospel of John your studies will be greatly enhanced as you start to see these themes in the same way that John's Jewish audience originally understood the words that he wrote *Reimagining at the Sources* James Atwell,2024-03-21 Reimagining at the Sources offers the fruits of a lifetime's reflection on the Bible and its role within the Christian faith from a respected scholar and priest Atwell lays out the history of Israel and the biblical roots of Christian faith from the origins of Israel's religious traditions to Jesus of Nazareth This book explores the sources of faith and analyses the complex faith journey that has taken place as Israel's religious traditions have developed The book provides a single coherent account which joins up the period covered by Israel's early religious traditions with that of Second Temple Judaism and the world of Jesus of Nazareth A distinctive feature of the volume is its focus on apocalyptic literature

Early Judaism Laurence Edward Browne,1920 *Early Judaism* Laurence E Browne,2023-07-18 Browne provides a comprehensive overview of the history beliefs and practices of Judaism during the biblical period This book covers topics such as the origins of Judaism the roles of the prophets and patriarchs and the development of the Jewish legal system Browne explores the evolution of Jewish thought over time and discusses how Jews responded to the political and social changes taking place in the ancient world This is an engaging and informative resource for anyone interested in the history of Judaism This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Hebrew studies ,2008 **Early Judaism** Martin S. Jaffee,1997 Appropriate for courses in Judaism and Western Religion This book introduces the complex reality of Judaism in ancient times using an approach grounded in the interdisciplinary framework of the comparative study of religions The aim of the book is to immerse students in theoretical problems regarding the interpretation of religious life as they master the diverse details of the forms of Judaic religion that thrived in antiquity **"Evil Desires" and the Kingdom of God** René Gehring,2009-04-28 Master's Thesis from the year 2009 in the subject World History Early and Ancient History grade 1 0 University of Salzburg language English abstract As the title indicates this treatise explores the field of Jewish sexual ethics It is not intended to research all the areas associated with this topic but to select those realms which best explain the concrete negative attitudes of Jewish society particularly in the first century CE towards sexuality While a very brief introduction provides an interesting background about the pagan i e Greek Roman views on Jews Judaism and Jewish

sexuality as far as the few sources allow the main chapters are dealing with the following different perspectives 1 Jewish profane literature 2 Different Jewish sects schools including the early Christian sect 3 Jewish Holy Scripture including the later rabbinic Mishnaic legislations These differing views on that important topic allow to differentiate between some Jewish mainstream practice or understanding and the various facets in different groups or authors The early Christian sect as given in the NT scriptures is included as well as the Mishnaic legislation in order to demonstrate the two most lasting and durable streams of perception Both survived until nowadays in the Jewish and Christian communities which differ quite a lot in legal regulations but still have the same basis as given in the Hebrew Scriptures By researching combining and commenting the numerous Jewish Scriptures this thesis finally explains what is to be understood by the term sexual sin supported by some basic principles although it has not been possible to investigate every aspect of that huge field Thus the goal of providing a well based reasonable argumentation as a foundation of understanding Jewish thinking and practice especially in the most interesting and restless first century CE is reached quite comprehensively *The Journal of Jewish Studies* ,2005

American Jewish Archives ,1988 *Jews in Early Modern Poland* Gershon David Hundert,Institute for Polish-Jewish Studies (Oxford, England),1997 Core essays cover developments within the Jewish community and also its contacts with Polish society to show how Jewish society flourished without being insular Christian Jewish Relations ,1990 **Judaism and Christianity** Edward D. Starkey,1991 **Critical Review of Books in Religion** ,1994 Encyclopedia of Religion Jones Lindsay,2005 **The Cambridge History of Jewish Philosophy** Steven M. Nadler,Tamar Rudavsky,Martin Kavka,Zachary Braiterman,David Novak,2009 Provides a comprehensive overview of Jewish philosophy from the seventeenth century to the present day Late Medieval Jewish Identities Carmen Caballero-Navas,Maria Esperanza Alfonso,2010-11-15 Medieval Iberia offers one of the few examples of coexistence over an extended period of time between Jews Muslims and Christians in pre modern Europe Taking the Jewish community as a focal point this book thoroughly explores the various borders geographical divides religious affiliations gender boundaries genre divisions that ruled the lives and intellectual production of late medieval Jews By shedding new light on the ways in which these boundaries generated the Jewish communities multiple overlapping and conflicting identities this book breaks new ground in the study of cultural exchange in the Middle Ages Seeking the Favor of God: The development of penitential prayer in Second Temple Judaism Mark J. Boda,Daniel K. Falk,Rodney Alan Werline,2007 Paperback edition available from the Society of Biblical Literature www.sbl-site.org
