The Politics of Nonviolent Action 1-3 Gene Sharp, 1980 **The Politics of Nonviolent Action: The dynamics of nonviolent action** Gene Sharp, 1973 Trebindsv rk udgivet i 1973 og som beskriver og forklarer ikke voldelige handlinger og aktioner **Sharp's Dictionary of Power and Struggle** Gene Sharp, Sir Adam Roberts, 2012 Sharp's Dictionary of Power and Struggle is a groundbreaking book by the godfather of nonviolent resistance In nearly 1 000 entries the Dictionary defines those ideologies political systems strategies methods and concepts that form the core of nonviolent action as it has occurred throughout history and across the globe providing much needed clarification of language that is often mired in confusion *Violence and Nonviolence* Peyman Vahabzadeh, 2019-02-07 Through an original and close reading of the key literature regarding both revolutionary violence and nonviolence this book collapses the widely assumed concepts of violence and nonviolence as mutually exclusive By revealing that violence and nonviolence are braided concepts arising from human action Peyman Vahabzadeh submits that in many cases the actions deemed to be either violent or nonviolent might actually produce outcomes that are not essentially different Vahabzadeh offers a conceptual phenomenology of the key thinkers and theorists of both revolutionary violence and various approaches to nonviolence Arguing that violence is inseparable from civilizations Violence and Nonviolence concludes by making a number of original conceptualizations regarding the relationship between violence and nonviolence exploring the possibility of a nonviolent future and proposing to understand the relationship between the two concepts as concentric not opposites *The Politics of Nonviolent Action: The methods of nonviolent action* Gene Sharp, 1973 **The Bloomsbury Companion to Political Philosophy** Andrew Fiala, 2015-02-26 The Bloomsbury Companion to Political Philosophy is the definitive guide to contemporary political philosophy The book covers all the most pressing and important themes and categories in the field areas that have continued to attract interest historically as well as topics that have emerged more recently as active areas of research Fourteen specially commissioned essays from an international team of experts including Eduardo Mendieta and Gillian Brock reveal where important work continues to be done in the area and most valuably the exciting new directions the field is taking The Companion explores a range of issues from the nature and history of political philosophy sovereignty distributive justice democratic theory feminist theory to toleration human rights immigration cosmopolitanism peace war and the challenge of Eurocentrism in political philosophy Featuring a series of indispensable research tools including an A to Z of key terms and concepts a chronology a detailed list of resources and a fully annotated bibliography this is the essential reference tool for anyone researching or working in political philosophy Sorry for the Inconvenience But This Is an Emergency Lynne Jones, 2024-03-07 As floods and fires rage across the planet ever more people are embracing nonviolent action to achieve political change Can it work Doctor and aid worker Lynne Jones offers a compelling ground level account of the last five years of UK protests exploring how and why ordinary citizens have adopted extraordinary methods to confront the climate and nature crises Sharing her

1980s experiences opposing nuclear weapons at Greenham Common and her journey in movements like Extinction Rebellion today Jones reflects on public history and her personal story to unpack nonviolent protest in a world on the brink Can we learn from past movements How to communicate with those who disagree What kind of disruption is most effective in Western democracies Is property damage nonviolent Is the law just How important are direct interventions boycotts and non cooperation What can indigenous campaigners of the Global South teach us A lifetime of activism has taught Jones that we all have more power than we realise It s time to use that power before it s too late **Arab Spring** Eid Mohamed,Dalia Fahmy,2019-10-08 This book provides systematic integrated analyses of emergent social and cultural dynamics in the wake of the so called Arab Spring and looks closely at the narratives and experiences of a people as they confront crisis during a critical moment of transition Providing an interdisciplinary approach to interconnections across regional and communal boundaries this volume situates itself at the intersection of political science cultural studies media and film studies and Middle Eastern studies while offering some key critical revisions to dominant approaches in social and political theory Through the unique contributions of each of its authors this book will offer a much needed addition to the study of Middle East politics and the Arab Spring Moreover although its specific focus is on the Arab context its analysis will be of issues of significant relevance to a changing world order **The Politics of Nonviolent Action** Gene Sharp,1973 Tolstoy's Political Thought Alexandre Christoyannopoulos,2019-08-29 Leo Tolstoy 1828 1910 besides writing famous novels such as War and Peace also wrote on political issues especially later in his life putting forward a political philosophy which might be termed Christian anarchism This book provides a comprehensive overview of Tolstoy s political thought It outlines in a systematic way Tolstoy s thought which was originally articulated unsystematically in diverse often informal writing such as pamphlets letters and speeches as well as books and in his novels where Tolstoy s thinking is put forward implicitly through the novels characters The book sets out the basic themes of Tolstoy s political thought his acceptance of the teachings of Jesus his criticism of the way in which Jesus teachings have been relayed by the church through traditional creeds and dogma his passionate rejection of political violence by both the state and those working for reform his plea for a nonviolent response to violence and injustice and his call for society to forego its institutional shackles and enact a community of peace love and justice The book also includes background information on the Russia of Tolstoy s time including the religious context and a discussion of how Tolstoy s political thought has been received by his admirers who included Gandhi and his critics **Win** ,1974 *The Coevolution Quarterly* ,1982 COMMITMENT TO NONVIOLENCE IN PERSONAL LIFE, SOCIAL ACTION AND EDUCATION: A PHILOSOPHICAL AND INTERVIEW-BASED INQUIRY.
