## **Faith At The Crossroads Responding To The Challenges Of Life:**

**Faith at the Crossroads** Robert Jeffress, 1989      **Standing Apart** Miranda Wilcox, John D. Young, 2014-04-15 Winner of the Best Anthology Award from John Whitmer Historical Association Latter day Saints have a paradoxical relationship to the past even as they invest their own history with sacred meaning celebrating the restoration of ancient truths and the fulfillment of biblical prophecies they repudiate the eighteen centuries of Christianity that preceded the founding of their church as apostate distortions of the truth Since the early days of Mormonism Latter day Saints have used the paradigm of apostasy and restoration in their narratives about the origin of their church This has generated a powerful and enduring binary of categorization that has profoundly impacted Mormon self perception and relations with others Standing Apart explores how the idea of apostasy has functioned as a category to mark define and set apart the other in Mormon historical consciousness and in the construction of Mormon narrative identity The volume s fifteen contributors trace the development of LDS narratives of apostasy within the context of both Mormon history and American Protestant historiography They suggest ways in which these narratives might be reformulated to engage with the past as well as offering new models for interfaith relations This volume provides a novel approach for understanding and resolving some of the challenges faced by the LDS church in the twenty first century      **The Intercession of God** Bruce J. Bonafide, 2019-09-13 Although Gabriel Bonaci has achieved great success in life as measured by society the experience of war as a US marine has changed him in a deep and fundamental way He seeks help from his devout family and the resulting search for a worthy purpose in life leads him to a monastic life one that he hopes will enable him to rid himself of the horrors of war and the evil that has permeated his mind and soul When several instances of angelic sightings occur around the world it seems to signal the intercession of God and the possible beginning of Revelation These are the triggers for a strange series of events that develop into a worldwide investigation of what many believe to be the precursor of the end times Even stranger Theresa Gabriel s sister an obscure Carmelite nun from a small hamlet in Wisconsin appears to be at the center of everything Now only time will tell what effect these events will have on Gabriel and the world In this religious novel a man struggling with his purpose in life challenges God to end the persistent growth of evil in the world and becomes witness to the start of the end times      **Faith and Order at the Crossroads** World Council of Churches. Commission on Faith and Order. Meeting, 2005 Papers and sermons from the conference held 28 July 6 Aug 2004 in Kuala Lumpur Malaysia      **Faith-based Identity and Curriculum in Catholic Schools** Jim Gleeson, Peta Goldberg, 2019-11-25 Faith based Identity and Curriculum in Catholic Schools examines the relationship between faith based education and whole curriculum at a time when neoliberal ideologies and market values are having a disproportionate influence on national education policies Topics addressed include current challenges and dilemmas faced by Catholic Education leadership Catholic social teaching and its implications for whole curriculum the opinions of teachers in Queensland Catholic schools regarding faith based school identity with particular

reference to whole curriculum an associated comparison of these opinions teachers with those of their USA peers school identity and Catholic social teaching in Ontario Catholic schools an action research approach to the integration of Catholic social teaching in Queensland Catholic schools longitudinal study of the views of pre service teachers at a Catholic university regarding the purposes and characteristics of Catholic schools Bringing together professionals and academics from across the world Faith based Identity and Curriculum in Catholic Schools will inspire Catholic and other faith based educators to appreciate the importance and potential of the integration of faith based perspectives such as countercultural Catholic social teaching across the school curriculum in an educationally appropriate manner
