Foundations of Earth Science this manual can also be used for any Earth science lab course and in conjunction with any text. It minimizes the need for faculty instruction in the lab, freeing instructors to interact directly with students. Widely praised for its concise coverage and dynamic illustrations by Dennis Tasa, the text contains twenty-four step-by-step exercises that reinforce major topics in geology, oceanography, meteorology, and astronomy. For introductory Earth Science lab courses, Pearson eText allows educators to easily share their own notes with students so they see the connection between their reading and what they learn in class, motivating them to keep reading and keep learning. Portable access lets students study on the go, even offline. And student usage analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: This ISBN is for the Pearson eText access card. For students purchasing this product from an online retailer, Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. In addition to your purchase, you will need a course invite link provided by your instructor to register for and use Pearson eText.
