Fannie May Is Not A Slut:

Hardboiled Whore Fannie Spanker,2025-08-12 Some cops love themselves Some cops know they re human garbage I was a parking cop the rotten ichor stubbornly coating the bottom of the bin I d been there 12 years tearing up parking tickets and watching the world pass me by from the comfort of my fancy air conditioned tricycle I refused to play by the rules ACAB goes the day s refrain I m ashamed to admit that included me the baddest cop in the department But even a bastard might redeem herself if you give her a second chance Then I got lucky A dame came into my life the kind that rolls with hot commodities and deals in illicit medication She forgave me my sins and gave me that second chance in exchange for my virginity and helped me pick up the trail of a missing activist the police were doing nil to find I made my way to the Red Light District to continue my search for our gone guy where I made an unexpected customer another dame powerful and corrupt only asking for a little company and my complete and eternal loyalty for which I would receive an easy grand and a special job Then another dame with a knack for picking locks and pissing off her coworkers joined me in sexual servitude then a pretty little cupcake and a dapper gentleman showed me what real men are like then a doll with hazel eyes and a doctor of the dead joined my growing found family In less than a week I was drowning in nookie I could have stopped at the one dame but I can t resist a hot muffin or a silky creampie My nose is as good at picking up on perfume as it is at sniffing out crime And I m a sucker for the human bouquet

Paper Montgomery Colt,2024-07-29 Paper is NOT your average novel about the Wild West Although it is not without a few gun battles it really is about powerful people willing to present their own truth as reality to get what they want One such person is Bat Masterson who is not afraid to use a sheriff s badge to get what he wants in Dodge City While supposedly working to keep law and order he secretly leads the Dodge City Gang and gets rich on the proceeds of crime Another is newspaperman Ransome Cooper who has no trouble fabricating news stories to fill in the space around the advertising he sells for the Dodge City Fable But advertising also has its own truth as Una a young woman from Texas will discover After seeing a job ad Una decides to flee the stifling religious household in which she has grown up and start afresh in Dodge City To get there Una must face the dangers of a late season cattle drive in 1886 Along the way she meets carpenter John Barringer and his new wife Fannie May who are running from their own troubles As a trio they must depend on each other and their wits to survive along with a strategy developed by Fannie May which she has based on the Rock Paper Scissors game Paper is the second book in the exciting historical fiction series Rock Paper Scissors by Montgomery Colt but it can also be enjoyed as a standalone novel As in his first book Colt adeptly weaves real historical players such as Bat Masterson George Hoover Doc Holliday Wyatt Earp and Buffalo Bill Cody and events with a fictional tale that makes the Wild West come alive while telling a story that is particularly relevant in modern times
