Fairweathers Practice And Procedure In Labor Arbitration:

Practice and Procedure in Labor Arbitration Owen Fairweather, 1983 This book provides a comprehensive treatment of all aspects of the labor arbitration process from initial submission to de novo review of an arbitration case

Fairweather's Practice and Procedure in Labor Arbitration Ray J. Schoonhoven, 1991 Rev edition of Practice and procedure in labor arbitration Owen Fairweather 2nd ed c1983 **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board, 1988 Carbonneau on International Arbitration Thomas E. Carbonneau, 2011-01-01 The chapters of this volume represent the majority of Professor Carbonneau's scholarly writings on the subject of international commercial arbitration They reflect his interest over the course of thirty years of law teaching in international litigation comparative law and of course international arbitration Some of the chapters are of a recent vintage while others were written a decade or two ago Whatever their date of production the chapters have a continuing professional interest Each addresses some of the major issues of trans border arbitration law A number of chapters emphasize the importance of courts in developing and maintaining a legal culture that is hospitable to arbitration The work of the courts has been instrumental to the reception of arbitration in the United States and in several European jurisdictions The courts can make or break arbitration by upholding arbitration agreements and enforcing arbitral awards Other chapters underscore that arbitration can operate as a complete legal system It not only provides workable trial procedures but arbitrators can also create law in their rulings With the addition of an internal arbitral appellate mechanism arbitrations can function with almost absolute independence The world law on arbitrations seems to favor the a national and a juridical operation of the arbitral process A few of the chapters recognize that arbitration is being increasingly employed to resolve political or mixed political and commercial disputes Investment arbitration and BITs are the most recent expression of this development it had been apparent in WTO and NAFTA dispute resolution The Iran U S Claims Tribunal presented the first great occasion for assessing the vocation of arbitration in a mixed dispute situation While arbitration has made significant inroads in this area political sovereignty remains resistant to the imposition of limitations In many less visible political cases determinations are nonetheless made and rendered enforceable The concluding chapters address more specific developments in the field of ICA A number of cases point to the strong perhaps overweening support of the judiciary for arbitration The courts in some jurisdictions support arbitration unequivocally and are bent upon a single outcome no matter the impact on doctrine Lawyer presence in the arbitral process has lead to increased formalization in some proceedings The judicialization of arbitration tilts the process toward the protection of rights and hinders its ability to function effectively and reach finality Lawyers can readily misunderstand and undermine the gravamen of arbitration The concluding chapters also establish that the UK Arbitration Act 1996 is one of the world's outstanding arbitration statutes It rivals and bests the UNCITRAL Model Law on ICA and is the equal of the French codified law on arbitration Finally the express text of the New

York Arbitration Convention appears to have been altered significantly by court practice The possible limitations of national law have been neutralized and the provisions of the Convention articulate a truly trans border regulation of the enforcement of awards In sum the chapters in this book reflect the author s lifetime work in the area of international arbitration and are required reading for all those practicing in the field law students arbitrators academics and practicing lawyers Wisconsin Caisson, Incorporated V. J. M. Corbett Co ,1974 **New York Court of Appeals. Records and Briefs.** New York (State).,
