**Eating Bitterness** Michelle Loyalka, 2013-07-26 Every year over 200 million peasants flock to China's urban centers providing a profusion of cheap labor that helps fuel the country's staggering economic growth Award winning journalist Michelle Dammon Loyalka follows the trials and triumphs of eight such migrants including a vegetable vendor an itinerant knife sharpener a free spirited recycler and a cash strapped mother offering an inside look at the pain self sacrifice and uncertainty underlying China's dramatic national transformation At the heart of the book lies each person's ability to eat bitterness a term that roughly means to endure hardships overcome difficulties and forge ahead These stories illustrate why China continues to advance even as the rest of the world remains embroiled in financial turmoil At the same time *Eating Bitterness* demonstrates how dealing with the issues facing this class of people constitutes China's most pressing domestic challenge

The Routledge Handbook of Chinese Citizenship Zhonghua Guo, 2021-11-29 Two assumptions prevail in the study of Chinese citizenship one holds that citizenship is unique to the Western political culture and China has historically lacked the necessary conditions for its development the other implies that China is an authoritarian regime that has always been subject to autocratic power in which citizens and citizenship play a limited role This volume negates both assumptions On the one hand it shows that China has its own unique and rich experiences of the emergence development rights obligations acts culture education and sites of citizenship indicating the need to widen the scope of citizenship studies to include non Western societies On the other hand it aims to show that citizenship has been a core issue running through China's political development since the modern period urging scholars to bring citizenship into consideration in the study of Chinese politics This Handbook sets a new agenda for citizenship studies and Chinese politics Its clear accessible style makes it essential reading for students and scholars interested in citizenship and China studies

**Migrant Ecologies** Zhou Xiaojing, 2021-06-17 *Migrant Ecologies* investigates the ways in which Zheng Xiaoqiong's poetry exposes the entanglements of migrant ecologies embedded within local and global networks of capital and labor The author contends that women migrant workers in particular as portrayed in Zheng's poems are the visible manifestation of the interconnections between the so called factories of the world and slum villages in the city between urban development and rural decline and between the local environmental degradation and the global market By adopting an ecological approach to Zheng's poems about women migrant workers in China the author explores what Donna Haraway calls webbed ecologies 49 The concept of ecologies serves to enhance not only the layered complex interconnections underlying women migrant workers plight and environmental degradation in China but also the emergence and transformation of migrant spaces subjects activism and networks resulting in part from globalization

**Modern China** Xiaobing Li, 2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today's

China In Modern China author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views *Cultural China 2020* Séagh Kehoe, Gerda Wielander, 2021-11-29 Cultural China is a unique annual publication for up to date informed and accessible commentary about Chinese and Sinophone languages cultural practices politics and production and their critical analysis It builds on the University of Westminster's Contemporary China Centre Blog providing additional reflective introductory pieces to contextualise each of the eight chapters The articles in this Review speak to the turbulent year that was 2020 as it unfolded across cultural China Thematically they range from celebrity culture fashion and beauty to religion and spirituality via language politics heritage and music Pieces on representations of China in Britain and the Westminster Chinese Visual Arts Project reflect our particular location and home Many of the articles in this book focus on the People's Republic of China but they also draw attention to the multiple Chinese and Sinophone cultural practices that exist within across and beyond national borders The Review is distinctive in its cultural studies based approach and contributes a much needed critical perspective from the Humanities to the study of cultural China It aims to promote interdisciplinary dialogue and debate about the social cultural political and historical dynamics that inform life in cultural China today offering academics activists practitioners and politicians a key reference with which to situate current events in and relating to cultural China in a wider context

**Informal Urban Street Markets** Clifton Evers, Kirsten Seale, 2014-12-05 Through an international range of research this volume examines how informal urban street markets facilitate the informal and formal economy not merely in terms of the traditional concerns of labor and consumption but also in regards to cultural and spatial contingencies In many places street markets and their populace have been marginalized and devalued At times there are clear governance procedures that aim to prevent them yet they continue to emerge in even in the most institutionalized societies This book gives serious consideration to what these markets reveal about urban life in a time of globalized rapid urbanization and flows of people knowledge and goods **China Review International**, 2011
